Similarity Analysis Report

Project Information

Project	Muhammed Irfan S Synopsis.pdf
Analysis Date	29 September 2026, 03:25 PM
Projects Checked	2
Report ID	7dec88dca40c40fd91918c19e00c1957

Analysis Method

The ProjectVerse similarity analysis compares the uploaded project report against processed reports of approved projects available in the system.

1. PDF text extraction
2. Text preprocessing
3. TF-IDF vectorization
4. Cosine similarity calculation

Similarity Results

Project	Similarity
ProjectVerse	100.00%
Rent World	8.22%

Evidence Statement

This document records the similarity analysis performed by ProjectVerse for the uploaded project. The analysis compares the uploaded report against processed reports belonging to approved projects available in the ProjectVerse database at the time of analysis.
