Similarity Analysis Report

Project Information

Project	Muhammed_Irfan_S_Synopsis.pdf
Analysis Date	03 October 2026, 12:44 PM
Projects Checked	2
Report ID	c9ec956caafb48099750c5006f192f4d

Analysis Method

The ProjectVerse similarity analysis compares the uploaded project report against processed reports of approved projects available in the system.

1. PDF text extraction
2. Text preprocessing
3. TF-IDF vectorization
4. Cosine similarity calculation

Similarity Results

Project	Similarity
ProjectVerse	100.00%
Rent World	8.22%

Evidence Statement

This document records the similarity analysis performed by ProjectVerse for the uploaded project. The analysis compares the uploaded report against processed reports belonging to approved projects available in the ProjectVerse database at the time of analysis.
