## Similarity Analysis Report

### Project Information

|                  |                                  |
|------------------|----------------------------------|
| Project          | Muhammed Irfan S - Resume.pdf    |
| Analysis Date    | 03 October 2026, 12:28 PM        |
| Projects Checked | 2                                |
| Report ID        | d9d247d7858f4505996a441d1d5e9a77 |

### Analysis Method

The ProjectVerse similarity analysis compares the uploaded project report against processed reports of approved projects available in the system.

1. PDF text extraction
2. Text preprocessing
3. TF-IDF vectorization
4. Cosine similarity calculation

### Similarity Results

| Project      | Similarity |
|--------------|------------|
| Rent World   | 100.00%    |
| ProjectVerse | 8.33%      |

### Evidence Statement

This document records the similarity analysis performed by ProjectVerse for the uploaded project. The analysis compares the uploaded report against processed reports belonging to approved projects available in the ProjectVerse database at the time of analysis.
